

THE MARGARET LAVOIE MEMORIAL FUND

The Margaret Lavoie Memorial Fund was established in April of 2006. The Memorial Fund provides an annual full-tuition scholarship to a student who best exemplifies the qualities that Peggy most admired: character, integrity, responsibility and leadership. This award, nominated and chosen by the faculty of Southern New Hampshire Dance Theater, is announced and presented at SNHDT's Year-End Performance.

The Margaret Lavoie Memorial Fund was established after Southern NH Dance Theater and Youth Ballet lost a wonderful and warm member of their community. Margaret Ann "Peggy" Lavoie, Artistic Director Patricia Lavoie's mother, touched the lives of students, faculty and parents with her endless generosity of heart and time. Peggy was not only Miss Trisha's mom... she was also the studio's "mom." When SNHDT opened its doors in 1996, Peggy soon became known as "the lady at the front desk." She answered the phone, helped many parents find the right class and from time to time "nursed" injured toes and ankles for our budding ballerinas. Backstage, she spent countless hours keeping parents and young ones organized and calm. Peggy touched the lives of so many, and her caring, loving, thoughtful spirit will always be with us. Peggy was enormously proud of all the many accomplishments of SNHDT and the Youth Ballet. Your contribution will help continue her support of our organization and of the students who train at SNHDT.
