Daily activities will begin with a dance class of ballet, tumbling and much more! With the help of SNHDT's royal staff the princesses will also learn to make a tiara, ribbon skirt, activity book and will enjoy princess-themed movies during their snack break. The last day of each Princess Camp will conclude with a short dance presentation and an official princess crowning ceremony.

The School *Over 15 Years of Excellence.*

Founded in 1996, Southern NH Dance Theater is one of the most well-respected dance schools in the area. We take great pride in the education of dance as a performing art. We believe dance is a fundamental part of arts education in helping to develop creativity, gross and fine motor skills, independent thinking and self confidence. We also believe whole-heartedly that dance should be FUN! In an effort to keep dance classes both educational and exciting, we have a trained all-adult faculty, age-appropriate music and exercises, well-organized class plans and a clean and safe studio environment.

Southern NH Youth Ballet, the school's affiliated performing company, brings high-quality dance productions to our community every year. The company and school together perform a full-length *Nutcracker* with a live symphony orchestra at the Palace Theatre annually. We also produce many family-friendly ballets including: *Fancy Nancy – Bonjour Butterfly*, *Fairy Houses – The Ballet*, *Graduation Ball*, and many more! We believe dance can be fun and enjoyable for everyone.
