What to Bring to the Theater for Dress Rehearsal & the Performance

All students in the Saturday Matinee Performance will need to arrive at the theater wearing street clothes carrying his/her costume with their **hair already done in the designated style** (check with your child's teacher). We ask that all Matinee Performers not arrive or leave the theater in costume. We recommend labeling all items (costumes, shoes, tights and accessories) and carrying them in a bag. Costumes may travel well on hangers & covered with plastic.

Shoes

Students are responsible for providing their own shoes and will be wearing the shoes they normally wear in class. We recommend that students carry their dance shoes in a bag with the child's name labeled on the inside of the shoes.

During the Performance

All students will remain backstage during the performance. Students from Ballet Levels 1 thru 4, who are only in the first half of the Matinee Performance and would like to watch the remaining portion of the show once they have performed, will be escorted by a chaperone (during intermission) to a designated area in the audience to view the rest of the show.

Recommended Make-up for all Dancers

Make-up is not needed for the dress rehearsal. For the performance we highly recommend dancers visit Jam Cosmetics Website, www.jamcosmetics.net for easy video instructions on applying stage make-up. Younger dancers should view video for "Young Dancer".

Tickets

Admission to all Year End Performances requires one ticket per person per seat. Information regarding ticket prices and ticket sales will be available closer to the performance dates.

Do I stay to wait for my child(ren) during the dress rehearsal?

Only designated chaperones need to stay. Students should be dropped off and picked up in the theater lobby, not in the auditorium. As performers arrive, a chaperone will direct or escort students to an assigned changing area, which will be the same for both the dress rehearsal and the performance. After rehearsal, performers will await their ride in the theater lobby. For safety reasons, we do not allow students to wait outside the building for their ride.
