Year End Performance fees for students registering after January 15th are due at the time of registration.

Tickets

Admission to all Year End Performances requires one ticket per person per seat. Information regarding ticket prices and ticket sales will be available closer to the performance dates.

Do I stay to wait for my child during the dress rehearsal?

We recommend that all parents of pre-school performers wait for their child in their designated changing area during dress rehearsal.

What to Wear for Dress Rehearsal

All students in the Pre-School Performance should arrive at the theater in costume and tights with their hair worn in its designated style (check with your child's teacher).

Shoes

Students are responsible for providing their own shoes and should wear the shoes they normally wear in class. We recommend that shoes be labeled with the child's name and carried in a bag.

Recommended Make-up for Pre-School Performers

We recommend a simple application of blush, mascara and lipstick. A little bit of make-up keeps the dancers' faces from being "washed" out by the bright stage lights. Make-up should be worn for the *performance only*, not the dress rehearsals. We recommend that the make-up for the performance be applied at home.

On the day of the Performance

All students in the Pre-School Performance should arrive at the theater in costume with their hair worn in its designated style (check with your child's teacher) and should arrive by 11:30am. **PLEASE NOTE:** All students ages 3 and UP enrolled in unlimited classes will perform in NO MORE than TWO dances. All students enrolled in Unlimited Classes for Creative Movement will perform in ONE dance.

During the Performance

All students will remain backstage during the Pre-School Performance and will be supervised and escorted by Southern NH Dance Theater staff and classroom escorts. This is a short program with **no intermission**. Parents can pick up their children in their assigned changing area once the entire performance is over. Your child's assigned changing area will be the same for both the dress rehearsal and the performance.

About Cameras and Digital Recordings

Please no flash photography or unauthorized recording of the performance. Our Year End Performance will be professionally recorded. Information regarding the purchase of digital recordings will be available through Southern NH Dance Theater.

Backstage Reminders

Please be sure your child has eaten and used the bathroom prior to dress rehearsals and the performance. Food is not allowed in the theater. Families may bring water and snacks that are not messy to be eaten in the dressing areas only. **Sorry, no eating while in costume! All dress rehearsals are closed to families and the general public.**

Covid Policies

For the health and safety of all students, staff, and families we will continue to follow any and ALL COVID Policies and Procedures that are in place or maybe be required at the time of this performance. Families will be notified in advance.
